### Math Games/Fun To Teach Signs on to CurrClick.com

Ashland, Oregon — The era of digital delivery is here and Math Games/Fun To Teach is at the forefront. You can now easily download our education material 24 hours a day, 7 days a week at CurrClick.com

We are happy to announce that we've teamed up with CurrClick.com and can now offer you, our customers, homeschool and educational products as secure eBooks on this exciting, new site. Check out our eBook educational products right now by visiting [www.curreclick.com](http://www.curreclick.com).

CurrClick.com is the only eBook and audio book site specializing in Homeschool curriculum. This dynamic and user friendly site employs the latest Adobe server technology, allowing us to make our full line of products available to you easily, instantly, cheaply and completely free of shipping costs. Curreclick.com takes extra books off your bookshelf and puts them on your computer or CD-Rom, saving you much needed space. No longer will you be plagued by broken or missing audio cassettes and CD's, or drink-stained workbook pages! Your books will now be effortlessly stored, as small, easy-to-use files on computer or disc, to be viewed or printed at your convenience.

Don't miss this exciting opportunity: Math Games/Fun To Teach and Curreclick.com will be offering all our Math and Grammar games for download absolutely free during the week of September 1 through September 7. Be sure to download this and check out our other great products at CurrClick.com where you get *Curriculum in a Click!*
